

2026-09-20 Edward L Kraus The Sport Kennels

In the second half of the 1890s, Edward L. Kraus established a kennel in the USA called Sport. He imported Ardagan (Udav Glebov – Podruschka Gatchina) and Mirza (Gaimane Ozerov – Marza) from the Wilken kennel in Germany (Ardagan was previously in 1895 imported from the P. Glebov kennel in Russia). Later, he imported the littermates Ratnic and Navrasala (Tuman Möckel – Mylaschka Möckel) from Mr. Möckel.

On August 28, I posted photographs of Mr. Möckel's Borzois in Germany, including photographs of Tuman and Mylaschka.
